PLANNING AHEAD MOVING TIPS

Making a list and planning ahead is the best way to ensure your move goes smoothly. Though your own Moving Checklist should be customized to fit your needs, our suggestions can help get you moving in the right direction.

- Make reservations with moving company (513.542.5436).
- Submit change of address forms to post office.
- Provide family and friends with new address and contact information.
- Prepare school transfer documents, if you have children.
- Arrange shut-offs and new connection of utilities- gas, electricity, water, telephone, cable television, internet, etc.
- Transfer items like prescriptions or banking accounts to the new location.

SELF-PACKING TIPS

- Attain plenty of boxes and moving supplies (513.542.5436).
- Begin packing less used, non-essential items first.
- Label boxes clearly and pack delicates safely! Write the area where each box belongs and its importance (open first or open last). Notate fragile items.
- Consider having a yard sale to profit on any unwanted items.
- Detail a floor plan for your new location showing where furniture and large items should be placed.
